

Dynamic: "Pertaining to energy or power in motion; involving or causing energy, motion, action, or change: opposed to static"

VERSATURF 360™ INDOOR FLOORING SYSTEM

EXPERIENCE THE ENERGY. THE POWER. THE DYNAMIC.

A sport floor that can handle the heavy stuff.

Whether it's a volleyball game, lunchtime or kindergarten graduation, you want a floor that can withstand hardcore use... without hardcore maintenance.

VersaTurf 360™ synthetic indoor flooring system from Dynamic Sports, Inc., is the answer.

Specifically designed for versatile, demanding use (think churches, recreation centers, elementary schools and more), VersaTurf 360™ relies on the latest technology to deliver a cost-efficient, easy-to-maintain surface that's built to last.

Because VersaTurf 360™ is a seamless, full-pour polyurethane floor, its durability is unsurpassed. The surface cannot separate over time, and its special top coating

helps resist stains and maintain aesthetics through years of use.

And did we mention VersaTurf 360™ is budget-friendly to refinish? No costly removal or replacement necessary.

While you can be confident that VersaTurf 360™ can take on bleachers, tables, stages, you name it, you can also rest assured you're providing your athletes with a great surface for sport and recreation. Just ask the thousands of boys, girls, men and women nationwide who play on VersaTurf 360™ day in and day out!

So go ahead...let the floor have it. And don't worry – it'll hold up. For years to come.

EXPERIENCE THE ENERGY. THE POWER. THE DYNAMIC.

VERSATURF 360™ INDOOR FLOORING SYSTEMS

About Dynamic Sports Construction, Inc.

While our systems represent the latest in synthetic sport flooring technology, we are not new to the business of indoor floors.

In fact, we have more than 30 years of experience in the synthetic sport flooring industry.

And one sole focus. Indoor flooring.

Regardless of budget or project scope, each of our customers is handled the same way: we believe in designing the right system for your needs.

And then we follow through to deliver that system in a timely, thorough manner.

We invite you to contact us for more information on our products, our people and our plans for the future.

VersaTurf 360™

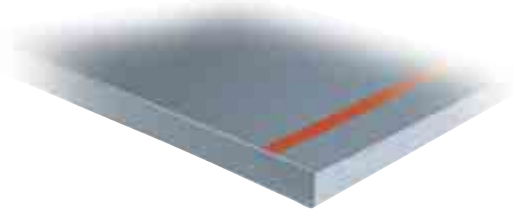

This is the floor that stands up to just about everything...

So if you're hosting games and banquets, dances, tournaments, trade shows, exercise classes, etc. turn to VersaTurf 360™.

Specifically designed for high use, multi-purpose areas, VersaTurf 360™ is affordable,

resistance and maintains the floor's aesthetics over time.

The system is available in a variety of surface textures and colors, and refurbishing is simple and cost effective (removal or replacement is

can be quickly and easily installed and has a long life cycle.

VersaTurf 360™ is made of poured-in-place, full-pour polyurethane. Because it bonds uniformly to its subsurface, delamination is eliminated. Separation is also eliminated through the full-pour polyurethane process.

VersaTurf 360™ has a highly resilient, field applied coating, which enhances stain

not necessary).

With the lowest 20-year life cycle cost on the market today, you simply can't go wrong with VersaTurf 360™.

Visit any number of schools, churches, recreation centers, etc. nationwide to see VersaTurf 360™ in action.
